

water  paper
100% plastic free

WATER PAPER è la prima carta a secco realizzata senza lattice e per questo biodegradabile, compostabile ma soprattutto IDROSOLUBILE. Questo permette di smaltire il prodotto sia nella carta che nell'umido, nel rispetto delle vigenti normative ambientali, garantendo così anche un vantaggio economico. Chi sceglie questa tipologia di prodotto esprime sensibilità e rispetto per la natura; qualità che oggi vengono molto apprezzate.

WATER PAPER is the first airlaid made without latex and, therefore, biodegradable, compostable and above all WATER-SOLUBLE. This property allows the product to be disposed of, in compliance with the current ecological regulations, both in the wastepaper and organic bin, guarantying also an economic profit. Whoever chooses this type of product shows sensitivity and respect for the environment; nowadays these qualities are highly appreciated.
