tovaglioli e tovaglie in carta a secco
napkins and tablecloths in airlaid

airlaid gold

I prodotti in Airlaid si distinguono per la piacevolezza al tatto e la consistenza dello spessore. Questo tipo di materiale sostituisce i tradizionali tessuti della tavola mantenendo al tempo stesso uno stile elegante e moderno. Nella linea troviamo fantasie facilmente coordinabili anche con le tinte unite per creare una tavola sempre nuova e personalizzata.

Airlaid products stand out for their pleasant feel and thickness. Not only does this type of paper replace traditional table fabrics but also maintains an elegant and modern style. The collection offers lively patterns easy to match with solid colours to create an ever new and personalised table.
